Thread: [Need a T shirt design super simple](#)

Psilocybinaut - December 14, 2020, 7:06 pm

Looking for a experienced GFX designer

I'm looking for someone to design a t shirt logo or design. Just some words and an image nothing too fancy. Please PM me if you can do it and then we can start a contract.

Obviously, if you're trusted, I'll go first. Otherwise, you will be going first.

I can pay in PayPal, Zelle, CashApp, Apple Pay or Bitcoin.

Looking forward to hearing from someone.

Hello sir.

I am verified on several platforms and forums.

Also, I have my own pages and sites I promote my designing services.
I am very sure my team and I could do an awesome design for you. Clearly, we can use the contract form of this platform.

Hit me up if you're still in need of this service.
