I have a thing for hot chicken/beef soup and seafood. I like wine, green tea, and coffee. I can't recall food that I dislike except things that are made from animal blood.

I don't know about favourite, but I drink Pepsi everyday. I guess that would be my favourite drink. My food intake changes on a daily basis so I don't know what I would consider my favourite food.

I am still thinking of what we will be having this Christmas, just the 4 of us (my 2 kids and my wife)
We might be having some salad, carbonara or spaghetti and we will grill some meat, sausages and hotdogs for the kids :D

We can't travel to our family house to meet my Mom, my Aunt and my siblings and their kids because of the pandemic.

Call me basic but I love myself a good steak. Sushi, pastas, and pizzas are close as well.

An iced Coke + lemon is one of my favorite drinks of all time.

Steak and beer! If we are talking specifics then a nice cut filet mignon with buttered asparagus, side of mashed potatoes and a ice cold stout beer.
