Thread: [11 year old opened dispute after purchasing a virtual item. Please help!](#)

vers9s - December 16, 2020, 7:13 am

Deal was done on discord, buyer agreed to terms, paid 2 transactions and instantly disputed, sent another payment and disputed.

It was a virtual item, i need help winning this dispute.

Money is put on hold (which is normal)

but he disputed idk how to win this.

Please pm me ur discord willing to pay a % of the amount if i win. (not much)

no its just \$50 bucks.

hes trying to fuck my paypal account sent multiple payments and instantly disputed, now if he wins im going to get charged extra. pls help :(

EDIT: info more in detail:

sent as g:s x2

instantly disputed cuz hes a paranoid little shit.

sent another for some reason as g:s

disputed it again.

Digital item, deal was done on discord.

If it's whitehat then just provide PayPal proofs that you delivered what he asked for and I think you'll be good. However, they are slow with solving disputes so I hope you have patience

the issue is its a digital item, and deal was done on discord. Im not sure how to prove item was delivered.

Should i show ss?
