How hard is it? Need investment? How much effort and time does it take? How much do you earn about?

royalgamerz - December 20, 2020, 3:21 pm

Appreciate if you could send more details ? What's it about and weather it needs a investment and what niche it fall under ?

amy santiago - December 20, 2020, 8:55 pm

It is not a long term investment you get returns almost instantly
it more of a hustle
you invest time insted of money and you have a method that actually works
Price is low so no harm in trying it out

25 bucks for some random ebook with little to no info, screenshots that tell nothing, and no vouch copies or at least 1 person confirming this works...

Seems legit, mate.

I am willing to send proof

ACTUAL PROOF of my bitcoin address

people can verify the transactions that have been coming for last few months to verify my claims unlike any other seller here

Sholi - April 9, 2021, 8:47 am

Got hold of a copy and had some time to check through it. As OP stated this is not a sitback and relax method (because QUITE FRANKLY those do not exist) so the honesty is much appreciated here. You will find this easy to set up and maintain with payouts being almost guaranteed. There is nothing illegal or unethical about it which is great and unlike other sellers OP has earned quite some dough with it (his BTC address proves so).

Can't wait to dig in and get started with this. Will surely update this post with my earnings and further evaluation.

Okto1 - May 4, 2021, 2:23 pm

This sounds great . How can I get a copy .. or how can I get be a part of the system..??

Salesforce - May 6, 2021, 6:02 am

BlackBird5687 - September 19, 2021, 5:17 pm

I'm interested, but i want to wait a little. I am happy to pay 10\$ for a copy seeing as you don't have a lot of support yet. That way u dont give it for free and still get a vouch if works.

Does this still work in 2021?

Stanley - November 4, 2021, 12:00 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

How much did you earn from this method as you described it as easy to setup and maintain. You said you would update the thread with your earnings and further evaluation but I am not seeing this anywhere on the thread

ProxyLand - December 2, 2025, 7:55 pm

I'm a bit interested but I'm wondering about the following :

I read through the 4 pages, there's only 1 vouch post from someone who got access to it, the rest of posts are people who were interseted etc.

With that said,

The OG Post the contract button says \$40 and through out the sales thread, consistently says \$25.

I'll pay \$25 as a customer for it. :)

Although I'm curious as to how much investment's I'd need for startup (which I can do if need), and would like support to get it going as well if needed.
