How did you get into magic? By that I assume your into like David Blaine types of tricks.

How far do your skills extend? Sounds like a cool hobby for people, glad to see it still going.

I got started at 16/17. Not done it for a while

I can do

Card magic

Coin Magic

Recreational magician or a business magician? From what I'd imagine it's mostly panhandling

Deany - December 20, 2020, 8:50 pm

I thought you meant magic the gathering... was like sup i play yugioh
