I've already PM'd - no response.

Please just refund. Enough time has elapsed with no response and I have since purchased elsewhere.

Ah okay, sorry but good idea, thank you! I didn't even know this dispute would be made public haha

He was on a few hours ago. Any update to this dispute? I've bought from him before and he always came through. He doesn't really communicate and when he does, he's a man of few words. But there's no excuse for ignoring you for several days on a matter like this.

Nothing so far, doesn't seem like he cares.
