How To Hack vBulletin 4.2.2 Forum?

Anyone Give Tricks Or Tutorials For That!

I'm A New One For This....So, Help Me.

turrach - December 21, 2020, 12:00 pm

nothing is free, if you willing to pay convo me

Vibe - December 21, 2020, 12:04 pm

You could focus on the admin, and try to gain access through their account.

https://www.cvedetails.com/vulnerability-list/vendor_id-8142/product_id-14110/version_id-173193/vbulletin-Vbulletin-4.2.2.html

vBulletin 4.2.2 is associated with quite a few significant vulnerabilities, which don't seem that complicated to exploit.

Do research on the vulns listed

Atleast, Please, Explain...How To See Hidden Contents And Get Those.

Because, Admin Disabled The Registration And Put The Contents To Private.
