Thread: [3,800 year old written customer complaint could be the very first in history.](#)

Anatoli_Smorin - December 21, 2020, 9:10 pm

A customer complaint written on a 3,800 year old clay tablet in ancient Babylon could be the very first ever in recorded history.

<https://www.newsweek.com/3800-year-old-tablet-worlds-oldest-customer-complaint-goes-viral-who-d-o-you-1088904>

Deany - December 21, 2020, 9:23 pm

HAHAH what the hell?! That's pretty funny.

pushl %ebp - December 21, 2020, 9:42 pm

I also chip my complaints into a clay tablet when the wrong grade of copper ore is delivered.

jecoylecoy - December 21, 2020, 9:57 pm

I never saw any word out of it. :(

Me too on ebay that place is wack now.

siddy357 - December 21, 2020, 11:45 pm

It shows that the ancients had everything sorted in place and we here think are the one progressing generation and paving paths for new heights.

Juoku - December 21, 2020, 11:46 pm

LOL that's a good read to start my day, thanks OP

Anatoli_Smorin - December 22, 2020, 12:27 am

Ancient Babylon is one of the oldest known civilizations.

Lyrarei - December 22, 2020, 12:34 am

My brain juice is too low for me to process this information.
