Happy, sad, sentimental, or excited, I wish you all a happy merry Christmas regardless and God bless you all.

It will be a shitty X-Mas here but thanks you. I wish you a better Christmas than mine.

I'm sure this Christmas will be unlike any other for most. Hopefully yours isn't too bad after it's all said and done. I know mine's different this year so far for sure. Good or bad? Not sure yet. Gotta wait till I'm over the hill before I can judge it myself I guess.

BiggL - December 22, 2020, 1:42 am

likewise brotha, wish you a awesome christmas! and to the rest of hf too!

Hopefully the HF santa will arrive with presents. Or, perhaps he wont.... and don't worry no-one else needs to get hurt. So do you want to draw?

Why you're not happy bro? I will celebrate my Christmas with my wife and my 2 kids.

Still we are not allowed to travel because we do have 2 kids so we can't go home to our family house :D

Our family business got boinked because of covid, so it's not the best mood, haha.

Oh sad to hear that my brother.

After the pandemic maybe you guys can cope up with the business.

As long as everyone is healthy that would be enough for now.

Opposite here, first Christmas with literally 0\$ to my name and no family. Hoping for some miracle to happen by 2021.

Merry Christmas!
