IF YOU COULD BREED A HYBRID ANIMAL OF ANY TWO SPECIES, WHAT TWO WOULD YOU CHOOSE?

sORA - December 23, 2020, 10:42 pm

it already exist, but i love ligers i wish they were a more common animal :'(

A Zebra and a Cow ? + ?

I wonder how the color blend will look, strikes with spots? Will they blend?

Gorilla/Grizzly. Do I need to say much more?

A Gorizzly be you.

swirlee - December 24, 2020, 4:28 am

I wonder what a product of an "alien" and monkey would be

I know I mentioned two different species, but would like to see a blend of man and woman

flavoral - December 24, 2020, 6:22 am

Cheetah and a Tiger would for sure be my answer i think.
