Thread: [RAT Mentor and setup](#)

LivinRaw - December 24, 2020, 6:50 am

Looking for someone experienced to help get me a JDB setup so I can infect people through a JDB. My target would be getting osrs players or private server players. I can pay for your time. Thank you let me know

The Amazing Sinner - December 24, 2020, 6:51 am

Send me a PM with your Telegram/Jabber, I can help you out.

can you afford silent jdb ? if you have free time i could show you a demo of mine if its ok with you.

Fire_Star - December 26, 2020, 6:14 am

Already Replied to Your Convo

attdexter - December 27, 2020, 8:38 pm

Id like to do the same, if someone could PM me
