I don't know why new users are allowed to purchase group spots or be invited to groups. Makes it very easy for them to scam. This is like the 5th member I've seen to join, instantly be invited to a group, make 200 - 400 posts, then exit-scam. It's sad.

**Money Man** - December 27, 2020, 11:58 am

Sad to see, hes def exit scamming. He bought some BTC off me, never went first w him.

Sorry OP.

**Jpavs93** - December 27, 2020, 12:08 pm

**Seren** - December 27, 2020, 12:58 pm

One of his thread has your vouch with screenshot of you making money...

Are you exploiting this opportunity to gain money/traction?

I know he might be scamming but, looking on both coins

**qq6123783** - December 27, 2020, 3:50 pm

Maybe he wouldn't have scammed so much if you weren't leaving fake vouches, who knows?

Agreed. His vouch added a lot of legitimacy to the sellers "method".
