Thread: [Injun Joe has Disputed a Contract with h.t.m \(576494 \)](#)

I paid him \$144 on Oct 31, 2020 for spam account, 20 songs of Spotify account and 250k streams at 15% discounted price. The seller did not do anything but kept on making nonsense excuses. I did not get anything, even a single song! I asked him to refund me (as per his terms in the thread while I was buying, before he edited) but he refused and ignored me.

Why did you wait two months to open a dispute? That guy has multiple disputes on him and he has no fucks to give. I doubt you'll get your money back. Sorry for your loss.

I pmed him to refund me and he asked me to wait while he's sorting things out. The main reason I trust him is that he is a senior member and he had a refund policy.

Have you heard from him lately? He's still active on here and was just on 7 hours ago.
