Thread: [30-40k\\$ per month on average from YT, over 4 million subs.](#)

domine - December 28, 2020, 9:28 pm

wanted to brag to the HF community on my youtube endeavour. I average around 30-40k\$ a month in revenue. Been working on the channel for 8 years, and it blew up big recently. Image is below, but if someone thinks im capping I can drop a GIF I just dont feel like it right now.

Damn bro that's crazy. Keep up the good work!

Yanix - December 28, 2020, 10:43 pm

Congrats for your channel and great income out of it.
Keep doing your thing bro

Sakuto - December 29, 2020, 5:00 am

Congrats, what's the subject of your channel?

WOW. Very impressive, congrats!

Snapbytes - December 30, 2020, 7:28 am

30-\$40k a month and can't even afford to be leet or uber.

nectar - December 30, 2020, 4:11 pm

That is damn good income bro, keep it up and you'd be set for life!
