Yesterday, a terrible earthquake hit Croatia. Even we in Serbia felt it, everything was shaking for a few moments. I hope everyone is ok who are from Croatia.

Yeah I saw this at news... it's crazy

Lyrlei - December 30, 2020, 3:31 am

That's horrible, stay safe out there [itcorp](#)

A certain amount won or games played or what>?

Hoping that this would be the last one for this year 2020 and looking forward for a better 2021.

Stay safe in Serbia and Croatia mate!
hope that'll be the end of it, I understand there were more than one recently in Croatia.
