Great Contest!

Most I won was about 395 euro (\$480) with Slots, but I bet at least 10 members are above that.

If I would win this, odds are very small, I will post proof. Sounds good?

Goliath bet of \$32000, does not matter member of Gamblers anyway.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley
