Thread: [Can I sell physical products here? \(Jewellery\)](#)

SZPZ - January 3, 2021, 6:36 pm

Hello,

I am a jeweller based in London, UK.

I specialise in bespoke items including grills, rings, pendants, diamonds etc.

Is this a service that I could provide via this forum? I've never seen anything like it here obviously so wondered if it was possible.

Thanks.

Hit me up and over value my fake diamond capped jewelry and write it off on the insurance I get on it so whenever I lose it on a boating accident I become rich.

No but seriously, do hit me up. Would be interested in checking ya out :)

Well, its average price. I sell extremely high quality hand made jewellery, so its not cheap.
