Instagram's Sportsbook Mastermind Recommendations

SPORTS

NFL
NBA
NCAA BASKETBALL
NCAA FOOTBALL

How It Works

I am selling pick recommendations on the sports above so you can place your wager and feel confident of your upcoming bet. I will be posting my updated results each and every single day so you can see the outcome of the games. I only place 1-2 picks per day that I am very very confident in. If there is a day where I don't like any of the games I will not play that day. I am here to profit and not doing it to just blindly gamble. This is a perfect time to jump onboard since playoff NFL Football, March Madness, and so many other big games coming up. Once you purchase the pick you place the wager on whatever site or sportsbook you'd like then sit back and enjoy the game with confidence. After you win the profits are all yours!

PRICES

PLAY OF THE MONTH! : \$100

HUGE HUGE INFO ON THIS GAME TOMORROW 100% FULL REFUND +\$25 BONUS IF GAME IS LOST!

VERY VERY CONFIDENT IN THIS PLAY OF THE MONTH!

(Prices will go up once you see the success)

History of Plays - Current record 9-1

TOS: I am providing the best recommendations to my ability. I am not responsible for the outcome of the game as nothing is ever guaranteed. I have never had a losing season in my 8 years of betting these specific sports.

Hey, what is your winning rate on those? Do you have any chart with your wins and losses over the months? Would be interesting to see that.

Will take one as a vouch if you're interested.

Let me know!

Favorit - January 5, 2021, 10:36 pm

can i use your bets on Crypto betting sites like sportsbet.io?

given how expensive your bets are, i think nearly all of your bets should be winners. right? so we can confidently put \$100 or \$200 or more per bet knowing that we will win. right?

Yes you can use that website! Even though I am 3-0 nothing is guaranteed in sports. I put in hours prior to make the best decision possible. However I am very confident in my plays!

I'm 3-0. I started posting all my results at the start of this thread. Already placed my wager for tonight game! Hit me up if interested! Love this play!

Money4life - January 6, 2021, 7:36 pm

Bought a pick and won. Big vouch! Currently up 400\$+- from that one bet.

Huge day for everyone who purchased and got a vouch copy!

Had two Mens NCAA Basketball picks!

3-0 on the day!

6 WINNERS IN A ROW!!!

Money Man - January 6, 2021, 7:49 pm

If you are offering any more vouch copies LMK, I'll gladly take a bet and post my results here after.
If all goes well will probably buy some bets.

I was offering 3 vouch copies and they were all taken. Every person who got a vouch copy made some money! Hot run for us right now! 6-0 to start the year! Prices will be increasing as more vouches and wins are posted.

Ch0ke - January 6, 2021, 11:48 pm

This guy is the real deal. I will post my pictures later on when I can get to my pc. I placed a smaller wager since my bankroll, but I will be purchasing more picks!

shopifyguru - January 7, 2021, 2:22 am

After winning the vouch copy yesterday, bought another pick and betted \$100 on it. Another win :)

What are the odds on these bets as from what I've seen I would imagine they aren't heavily fixed matches in a sense that the multiplier is 1.15x-1.30x if that makes sense.

Can we request for a certain sport such as NBA or do we get whatever's on for that day?

Favorit - January 7, 2021, 8:38 am

these are like fixed matches

KINGZERO - January 7, 2021, 1:15 pm

I'm quite interested in this, can you pass me your telegram.

I took 6-8 months off due to the sports I like to bet on no being on. However we are 6-0 since the start of the thread. A few people bet anywhere from \$100-500 last night and every single play cashed with ease!

I bet on what makes sense and what my system will win the money with the highest chance of doing that. If I was to pick my favorite sport I liked it wouldn't do me any good as I do specific research on each and every game that I bet on.

do you give tips for soccer too or its too risky?

I do what I feel comfortable in putting my money towards. I don't like betting on soccer as you have to play against a tie and many other factors. NCAA, NFL, and NBA are hot!

1 MORE HOUR! Till my play of the day is out! Get it to secure this bag!

Fair enough, do you have your record from before that you can possibly share? I don't mean to insult or talk down or anything and while its great, the 6-0 can just be a hot streak. Having a bigger record to show would definitely be better.

I didnt have them on a pick monitoring site. I wouldn't consistently keep betting \$500 if I was losing. I understand your concerns but the people who purchased are very happy. I suppose you can wait a week and see stats from there. But it is going to be a huge weekend for us with NFL playoffs and a ton of basketball!

TOUGH LOSS. TOTAL RECORD 6-1

Favorit - January 7, 2021, 9:20 pm

ummm...it seems that you had a loss. This is not good.

its important to have a track record of NO LOSS whatsoever because all the other tips providers have losses anyway.

Thats impossible lmao. No one has a track record of 0 losses. This is not fixed matches, if you think that.

Bro you're not making sense. I'm not offering a service where 100% of my plays win that's impossible and will never happen. Even if you win 70% of that time that is unreal. So stop posting nonsense

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

DrRespect - January 12, 2021, 7:17 pm

Gave me 2 picks yesterday (both losing) and told me to bet double what I was going to bet which is fine as he gave refunds for the original \$100 he charged. He felt bad so he gave another free pick today and said that he never has 2 losing sessions in a row so I put some of what I had left and another loss.
