Thread: [Youtubers Onlyfans PACKAGE \[Update Constantly\]](#)

**TexasOutlaw** - January 4, 2021, 5:11 pm

I'm selling a bundle package of multiple Youtubers Onlyfans for one single price tag. You will be added to a discord (which I am verified on) so I can have easier access to send out the constant updates. This includes anything behind paywalls, and the normal stuff behind the subscription. You can suggest other Youtubers to be added; price may change at any time.

Bundle includes:

ClaraBabyLegs

Tana Mongeau

Belle Delphine

Erika Costell

Lana Rhoades

Daisy Keech

Amanda Cerny

Price: \$15 Cashapp, Venmo, Zelle or \$10 BTC (also accepting bytes, 15K bytes)

Would you take \$14 BTC? - Not a regular crypto user so I'm a little short.

**Grim** - January 15, 2021, 5:02 pm

are you still keeping these updated?

I must note, package has lost some of the girls as no interest was for them, and they were either just cosplay or not nude etc.

Suggestions are always accepted, for what to add to this bundle.
