Good Afternoon,

Can an administrator please delete all of my posts, threads, private messages, and account please? I only have a few posts.

Thank you and Happy New Year.

We don't do that, you can only request your account to be closed, not deleted.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

Once you make a post account deletion isn't possible.
