Thread: [What revenue streams do you currently have?](#)

Kant Atta - January 6, 2021, 9:06 am

I'm just curious to see how most people on here are making their money. For example, my revenue streams include my actual job, freelancing, advertising, and product sales. Where are you making your money?

Ahaaaaaaa. Nice try, IRS!

Fellow Man - January 6, 2021, 9:14 am

Mostly real life freelancing, selling bytes etc. and sometimes regular product sales.

A regalar day job, freelancing (with various IT related stuff and photography), reselling stuff (no, not drugs, just random junk) and then the infamous crypto trading. It's enough to live a comfortable life :)
