well that's why i sent the 250 bytes in advance. You wear it -> get 250 bytes -> have it for 2 weeks. Then post again after 2 weeks to renew it. That way people don't wear it for time they ain't getting paid for.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
