Thread: [\[H\] PP, Zelle, Cashapp, Apple Pay \[W\] BTC](#)

Banana - January 8, 2021, 4:30 am

Looking for as much BTC as I can get. Paying with paypal, cashapp, zelle or apple pay. Long term exchangers preferred and prioritized over one time andys

5% rates would be great but rates are negotiable!

Not going first unless you're someone like Boost. Post or PM me thanks
