Who is for and who is not to be granted flyingduck access to convo.

I am voting for his access to be granted because convo is not the same without him.

Forensic - January 8, 2021, 3:57 pm

I will have to support. He can be a funny guy.

.?.ZyL£.?. - January 8, 2021, 3:59 pm

SIM-353284 - January 8, 2021, 4:03 pm

Convo aint the same without the user flyingduck. As a member of this forum he is the reason I come back to chat and brings a lot of light into a dark world, I would like to see flyingduck reinstated in convo 100%, he is an awesome guy.

Yanix - January 8, 2021, 4:09 pm

Missing FlyingDuck on the convo :D

Hoping he will be granted access and all will be sorted out.

(Jan 8, 2021 05:17 PM)CPA Wrote: [\[CITE\]](#) Flyingduck has always been a very helpful individual competent in a vast amount of different fields from SEO to accounting.

He has helped me pass my examination and become Certified Public Accountant (CPA).

Even more, a recent report carried out by a team of researches shows a decline in the online users in the chat room since Flyingduck's convo ban.

Damn I thought you are into CPA networks aka. "Cost Per Action" networks but never thought that ur @ means "Certified Public Accountant". Or maybe you are into CPA networks too? Either way, good stuff that Flyingduck helped you with that! I hope he gets unblocked from convo ?

Ezld726 - January 8, 2021, 4:59 pm

I'm for it. He's not a bad guy, I haven't talked to him much, but he has never insulted me or was in any way or form bad towards me. In general he seemed like a friendly guy.

shakur123 - January 8, 2021, 5:01 pm

We need [flyingduck](#) back!! convo feels empty without him :(

Files - January 8, 2021, 5:07 pm

Not quite sure what Flyingduck did. None the less, I was inactive for years, came back to join the new chat room feature and had no issues with Flyingduck while I was there, even though I was not there for this incident.

So Flyingduck is okay with me so far.

Fellow Man - January 8, 2021, 5:10 pm

I must add he also makes some good memes

Is it possible to deny someone access to the convo ???

And as for flyingduck, he is a very good user, if he doesn't have access to the chat, it would be good to admit him because he deserves it?

No my friend this thread should be bumped and sticky.

He should be back in Convo. We were just talking about making collabs before I even found out this happened again.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

The user in question harassed another user by making inappropriate memes and some of them contained nsfw images. After he got banned, he continued to do so therefore ignoring the staff's efforts to stop him. Then he got banned from convos for 1 week and is still banned.

You do realize now how sad this petition looks like. You're all petitioning for a member to be unbanned for harassing another user.

Thank you for your response,we agree with you when it comes to nsfw images and he was already banned for it and he didn't do it anymore at least I didn't see it and again he was banned.
