Thread: [l33t upgrade with bytes](#)

Avelt - January 14, 2021, 8:40 am

I have never tried to open an account in bitcoin. The only thing I can offer is 6000 bytes for a l33t upgrade.

What happens in 6 months after the time pass? Will I need to rebuy it?

Anything I can get with 6000 would be nice. Permanent will be perfect if it's possible, of course.

HI, bytes is sold here at rate of 4\$ /k . so 6k bytes = 25\$~

so you can get permanent upgrades, you are in loss if someone is doing only 6month.

Dm me i can do permanent upgrade.
