Thread: [what documents needed to fully verify cashapp](#)

twitter4u - January 15, 2021, 8:07 am

which documents need to enable direct deposit and bitcoin in cashapp?

SecBreach - January 15, 2021, 8:14 am

Where are you using Cashapp from? Might be usefull information?

Yeah, you have to take selfie holding your ID next to your face I don't think utility bill will work although it might.

Mustard Tiger - January 15, 2021, 10:40 am

To enable direct deposit you need to activate the cashcard after it is mailed to you.

Mark Ronson - January 15, 2021, 10:47 am

A driver license + selfie + ssn/dob is needed

I'll just say this for educational purposes, fake DLs won't work as cashapp scans the QR code in them so don't even try

twitter4u - January 15, 2021, 10:14 pm

Thanks guys.just wanted to know.
