Thread: [Looking for someone to design a social media group logo](#)

IN10SE - January 15, 2021, 11:26 pm

Group Name will be called "Elite Chainbreakers".

Colors would be Black and Gold, with Metallic Textures.

The Group is about Forex Trading.

Design should fit as a Group Photo/Logo for Messenger, Telegram, etc.

I might contact you again to do future graphics like Welcome Banner and Promotion Banner (basically a background image).

Please DM/post your prices and portfolio.

Will keep checking as I need it ASAP, thank you.

Update:

Sample

Design and Group Text must be covered in logo.

Design must be related to Group Name.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
