Can all the unlocks be done for the main online game as well as zombies; using only this free week of zombie access? Or it would be zombie unlocks only?

Within a few minutes of purchasing and joining the Discord channel, preparations for me to join a lobby shortly begun. Remained patient whilst I was having connectivity issues - which took a bit longer than expected for me to resolve!

All guns maxed out and reached my desired level fairly quickly. Would happily do business again :)

Vouch for OP. I purchased the Max Level/Max Weapons package and he added in the camos for free. It took a few hours to get everything done but was worth it.
