I could possibly do a discount DM me.

Defuse - January 18, 2021, 10:05 pm

I was fortunate enough to receive a Vouch Copy

The service was as stated and I got All Camos, Diamond and Dark Aether. The whole process took around 15-20 minutes and Epic was very professional about the service and patient. I would highly recommend anyone use this service if they want all camos completed within 15-20 minutes, he doesn't need to recover your account and simply invites you to a zombie lobby.

Super interested in this! Do you have a package for max weapons and Dark Aether camo? Or would I have to get the \$40 package that includes max rank?

-PUBG- - February 10, 2021, 7:01 pm

Since max weapon rank is needed to do it (Not entirely needed but makes it buggy if you don't) you would need that package to get it done.

Rank is separate from them, Its \$50 for everything that can be done.

-PUBG- - February 25, 2021, 5:22 pm

Biggy - June 16, 2021, 1:52 pm

Tried to pm you and got no reply. Is this still available, or is it patched? Other sellers are claiming tool is patched so trying to make sure.

To my knowledge, it was weapon and user XP that gets reset after leaving the lobby. Dark aether and camos I think are still fine which is all it looks like he's offering.

-PUBG- - July 4, 2021, 3:37 am

Now offering DMU lobbies just hit me up.

??? - July 4, 2021, 10:53 pm

Overall : [5/5]

I want to give one of the greatest vouches I have given. Epic was patient and explained everything to me, he also threw in extras. When I thought I missed things up without hesitation he was back to help me again. Got everything in a matter of maybe 5 mins, most likely even less.

-PUBG- - July 9, 2021, 3:21 am

Prices have been reduced, DM me if interested.

jackjackbenz - July 11, 2021, 3:01 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
