Thread: [ClaimBits - ShortPTC - PaidTasks - CashMining Pro Scripts for sale](#)

OnlineMoneyNet - January 19, 2021, 2:37 am

Hey Team

Everyone who is interested in the following scripts please send me a pm for more details.
I have for sale for 50% off the normal developer price the following scripts :

ClaimBITS -
ShortPTC -
Cash Mining Pro -
Pes Pro latest version -
Paid Tasks -
xTraffic -
NGMafia Browser based game -
Paid To Invite -

I have to mention that all the above scripts are nulled and can be used on multiple domain names with no restrictions .

All prices are 50% lower then the regular price you can see on the links i have provided and i accept payments using Paypal , Payeer , CoinPayments , Faucetpay.io or airTM.

OnlineMoneyNet - January 22, 2021, 1:09 am

Topic Up , for first 20 members coming from hackforums that wish to purchase any of our scripts i will offer a discount coupon code for 20% off the prices we have.

radicalxfrosty - April 11, 2021, 8:55 am

Shoot me a pm, paid offers looks interesting

nevskydy - May 2, 2021, 10:07 am

Where is the coupon code?
