I'm really not a watch person but I wanted to treat myself for my birthday!

What are your current/dream watches? Mine is a Grand Seiko SBGM235

Used to be my dream watch for a long time. But when I had the money I preferred Rolex.

Currently I've got a few Rolex steel models and some movados I bought early on. Couple Citizen EcoDrives for beater watches.

This is my daily wear -

I have the same one, but with a black clock face. Great watch.
