I'll pay for Leader spot. Go ahead and mark it off, just give me a day or two to get the cash, before you make it reavailable for purchase again.

Host - January 25, 2021, 4:07 pm

Darn it, I wanted the leader position

NRmarketing - February 7, 2021, 2:38 pm

Interesting how the leader spot is only \$100, aghhh I wish I had more time

Being part of this crew I can vouch and simply say that this crew is absolutely helpful and filled with nice members of hackforums. While they may not be the biggest right now I can see that they have a huge chance to grow and be really successful here on hack forums. So I am wishing that Heresy has the best of luck on hack forums with growth and hopefully moving forwards in all the goals they want to conquer. Thank you once again for accepting me into this group and anyone else who does pay or join into the group will be happy with the out come I can assure you. Paying to get into a quality crew like Heresy may seem like a chunk of money at first, but you really should be looking at it as an investment. You're paying nothing for the money methods, help and everything you gain from being a part of Heresy.

I am happy that you have joined the crew, nice to see we are growing steadily and according to plan! Still need 1 more leader before we can really start rolling this crew into HF history!

Heresy is a one of a kind crew with a handful of amazing and helpful members. I am a part of them and can truly say that it is worth every penny of joining Heresy. If you are interested in joining feel free to private message me or add me on bluntmeh#1498 and I can help with you getting processed when the owner is not around.

Regards,
Bluntmeh

The leaderspot is permanent, and also Heresy Lifetime membership is permanent, I have sworn not sell the group for 1 year, since original post in other section explaining about Heresy Crew, however, if I decide to sell the crew, the new owner will rebrand. BUT, I am not selling this crew though.

Hey bro, I am doing good and I hope the same for you! Unfortunately that has been sold, but you are more than welcome to become a lifetime member if you wish so! Super good activity in the crew right now :D

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
