Cyam - January 23, 2021, 6:19 pm

I'm selling aged Reddit accounts with 500-2000 karma. Every account is tested beforehand. These accounts are cracked with unverified emails. It's better not to change the password for a few days for the account to 'adapt'.

Do these come with comment karma? A good part of NSFW subreddits has a rather high comment karma requirements.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
