I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first

post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Deal with EXTREME CAUTION. This user is multi accounting after being banned on his main. He WILL exit scam again, he has multiple deal disputes on his old account:

<https://hackforums.net/member.php?action=profile&uid=4627132>

So what does his current hackforums account link his previous banned hackforums account. Well.... he is using the same iCloud email again(what an idiot lol), Wolf(aka Lil Wolf, aka WolfPro, aka Aceflexin). Here is him using the same icloud email on his previous discord account AceFlexin#8046:

<https://gyazo.com/63a6ffe1fe0b8d6e0168d513d2031a75>
<https://gyazo.com/233cac02f4315e7f143acbbb57769645>

If you want proof that Lil Wolf is indeed AceFlexin#8046, well, his discord ID = 691348423378731018. A quick search on HF will bring you to this thread:<https://hackforums.net/showthread.php?tid=6097492>
Which is about... Lil Wolf scamming, what a surprise!

the icloud he is using right now is the same as can be seen in this screenshot:

<https://gyazo.com/b5ebca9583a37f1d82d057d7cc7aa2a2>

I am going to post a DWC thread in the marketplace discussion since this member has scammed people over. Just see for example this deal dispute:

<https://hackforums.net/showthread.php?tid=6118009>

Some other fun screenshots where he is just admitting to doing dumb shit:

Hmm, best of luck but I smell something fishy here.

I'd use caution and make sure you make sure all deals are done onsite.

Bro you didnt even really read it why cant he simply make a video instead of forged screenshot of a ApplePay payment he's honestly mad i wouldnt deal this should've got dealt with page 1 or 2 a simple video and payment proof VIDEO he forged a screenshot which i showed can easily be done in a post above on that thread. He also Posted on here which a staff member removed... Stop being a follower actually read it he make a video showing its my payment proof its me simple if he cant he flat out lied and prove its a fake screenshot he never once even showed a payment.

Video of OP using the same iCloud on his banned account:

PUBLIC contract of him using it on his current 148 Gamer account:

<https://hackforums.net/contracts.php?action=view&cid=238919>

DO NOT DEAL with this user. This user used carded accounts on his banned account, which means your exchanges are likely to be chargedback later down the line.

<https://hackforums.net/showthread.php?tid=6138006&pid=60553485#pid60553485>

I wrote down everything in here. I repeat, DO NOT DEAL with this user.

I hope everyone enjoyed Wolf trying to talk himself out of this with his 50 IQ brain capacity lol.

Here's an old groupchat he left, he can't edit it. He shared his payment details in here. I waited with it I wanted him to remove his messages from his private chat with me, further proving that he's wolf lol. But I guess anyone with half a brain can tell it's Wolf lol.

[DEFINITE VIDEO PROOF THIS IS WOLF, USING THE SAME ICLOUD.](#)

Same iCloud on his current account on a public contract:
