It's all 100% retarded clickbaity garbage. Who actually clicks this shit?

Dopamine - January 30, 2021, 12:58 pm

You would be surprised. A lot of people clicks on ads and not just on Snapchat.

I completely agree, but those stories or subscriptions whatever they're called are a rabbit hole.

Koyote - January 31, 2021, 5:19 am

They just have to try to stand out and be memorable, so they try and be as weird and as wacky as possible.

ghostboy - February 3, 2021, 1:24 am

because the projected audience still clicks

guardian - February 10, 2021, 11:03 pm

Actually true. I don't use snapchat these days anyways.

ZeroOne - February 10, 2021, 11:10 pm

Snapchat itself has become such a bad app, in my opinion. I don't use it anymore.

True. I've never been a big fan of the app, but nowadays it is just super bad.

Probably due to Instagram just doing things better and bigger.

And old perverts. Most teens and young people are probably on IG.

Why do you do that on snapchat? Just because you cannot see messages anymore, does not mean they can't lol.

Tommie R - February 11, 2021, 4:03 am

Retarded ads work for a mostly retarded demographic ;) Why do you think those simple porn ads work?

Yin Yang - February 11, 2021, 4:44 am

I've seen some that are crypto related

Scoppa - February 11, 2021, 4:44 am

Probably some of those 'I will make your rich' guys.

CPA Exposé - February 11, 2021, 7:32 am

The ads work.

Remember, just because YOU don't like them, doesn't mean there aren't millions of people clicking them.

Remember, there are people out there who fall for nigerian prince emails.

Don't think the people falling for the prince scam are the ones using snapchat haha. But I see your point, ofc lots of these ads are targeting younger audiences (or dumber ones lol)

NoneStar - February 11, 2021, 12:52 pm

I rarely use snapchat anymore, only like 1-3 friends from high school on there and after I see their posts the instant I see one of their low quality ads (almost all of them from what I've seen) I just leave.

Koyote - February 11, 2021, 1:37 pm

I really dislike the more recent ones, they're always so loud and overly zany. I just wish they'd tell us what they're selling and just be done with it!

exactly its trash now i only use to keep in contact with a few ppl from school

DeITex - February 11, 2021, 3:56 pm

It kills me that there are still people who send "streaks". Snapchat is so dead, their "news" section is riddled with ads every few slides. You can get so much more meaning from a phone call or better yet, a real life meet up. I've been off of Snapchat for years now. Not saying it's a useless platform, just that it's rather quite useless to me and I'd consider myself an average everyday consumer.

Goku - February 11, 2021, 4:07 pm

It's all leftist propaganda lmao

Also, ton of gossip shit of course...

Don't they make those dumb on purpose to ensure the people they scam won't be calling the police or something afterwards?

Hoon - February 11, 2021, 9:24 pm

I be getting those gay dating apps advertisement like wtf I had [BRAND NAME REMOVED] maybe that's the case
