Orchid - February 1, 2021, 7:31 am

Keep it simple and sweet, I'll pick one of you suckas.

Shrooms - February 1, 2021, 7:51 am

I've been very inactive recently due to not having PC access, but I like the mysteriousness of this group so figured I would post.

I'm fairly down to earth, although I will speak my mind to those who are just complete idiots. I try not to make myself stand out but usually the opposite to that happens. My interests are in software and game development, and I am an avid PC gamer.

I have no idea what else to add here, good luck to you all.

kookur - February 1, 2021, 7:58 am

Pick me buddy, you're in my buddy list for ages.

hosmail - February 1, 2021, 11:34 am

Damn that userbar looks hot ????

Get me in pls ?

Pink Cup RS - February 1, 2021, 11:35 am

This seems interesting. Not posting to enter, but to wish everyone the best of luck!

Very cool userbar.

Tesla - February 1, 2021, 11:49 am

Let me in you smelly man

Smexy - February 1, 2021, 11:58 am

I'm by no means a really active member.

Most people know me as this random ghost who tries to better himself.

But that group userbar looks so good, and I've learnt to never miss an opportunity these days! <3

Please consider me anyway! :D

Lorem Ipsum - February 1, 2021, 11:59 am

I would love to be part of the Flight group and I will wear your Userbar with pride!

However, I don't think I deserve it as much as some of the Infamous, Masterminds or Achievers group.

I just can't stand the thought of missing this extraordinary opportunity. Thank you!

LORE - February 1, 2021, 2:06 pm

I have over 1k songs on my Spotify playlist.

Thanks

FlowerontheMoon - February 3, 2021, 2:19 am

This is the cleanest UB I've ever seen so I'm taking my shot.

Spoiler ([Click to View](#))

There it is thanks!

Goku - February 3, 2021, 8:20 am

That surely is one of the dopest UB I have seen.

I'm on every day, used to do thread + sig design.

But now I'm almost done with my design study, and I am currently working at a media firm making websites for real estate agents :P

So too busy to do work on HF, but I love making avatars and sigs for people here :P

I made [Winds](#) 's avatar, [Supreme Kai](#) 's avatar and many more to list

ZeroOne - February 3, 2021, 8:21 am

You won't regret adding me.

zSerity - February 7, 2021, 10:02 am

Good luck with the group porky orky

Vibe - February 7, 2021, 10:04 am

The librarian in the cubicle library In the dmt world told me to take flight.

SerotoninMaster - February 7, 2021, 12:39 pm

I know my chances of actually getting picked are slim based on the way my profile looks as of right now; however, I have had a lot of struggles and had to start from scratch on hackforums which was a huge kick to my groin nonetheless. So, with that said this group would be a blessing if I was to be picked and able to join the group I would only do what I feel is right to better the group and most of all constantly contribute to the group.

Corgi - February 7, 2021, 4:39 pm

Seems like everyone is talking about the User Bar is pretty nice and I agree although I would like to discover more about this group crew.

There's only one thing in this life that I truly enjoy .. adventure .. and catching a flight would peak

that excitement.

Sugawara - February 8, 2021, 5:19 pm
