Thread: [ask about tool bruteforce rdp windows](#)

vira - February 2, 2021, 1:05 pm

Hi everyones

im sorry to disturb you ,
but i have trying so many tool brutefore like z668 (windows) hydra(linux) lazy rdp (linux)

but its seem not work good , or its out of date to scan for now
so can you suggest some good tool for bruteforce rdp windows vps or linux for now ?

thank for your suggest so much

(Feb 2, 2021 03:11 PM)Snyke Wrote: [\[CITE\]](#) Bruteforcing in general hasn't been the best since 2011.
There are other, more productive ways to get credentials.
Bruteforcing locks and triggers many different kinds of captcha.

oh okay thank you so much :D
so can you suggest me some way more productive :D

im customers buy bitrat from you , longtime ago , i hope you realize me :D
