Mullet Muscle - February 3, 2021, 8:54 am

dBusta - February 3, 2021, 9:08 am

Hmm little bit weird but I'm going for the bacon ! !

ZeroOne - February 3, 2021, 9:11 am

If I could, I would definitely try the pumpkin pie one. I wonder how a pumpkin pie would taste as a soda.

Did you end up ordering any of them, OP?

Java - February 3, 2021, 9:21 am

I'm guessing Coffee? Idk they are sounds pretty bad in theory.

HEISENPUG - February 3, 2021, 9:51 am

Artisan - February 3, 2021, 11:19 am

Coffee or sweet corn. The other ones seem disgusting as sodas.

Omniscient - February 3, 2021, 11:38 am

Peanut butter and jelly imho. I gotta try it. Seems disgusting and worthy of a lark.

Shrooms - February 3, 2021, 11:51 am

I'd give them all a try sure, but they all sound disgusting in a soda

Exalted - February 3, 2021, 12:06 pm

The buffalo and coffee ones are worth a shot; I imagine they're quite disgusting though.

I would love the coffee soda, but I'm wondering what do bacon soda and buffalo wing soda taste like.

Koyote - February 4, 2021, 5:20 am

I would try them all apart from the coffee one, or maybe I'd try it but I wouldn't expect to like it lol. The rest sound cool! I'd go for the wings one too myself.

Megatron - February 4, 2021, 8:50 am

Can I say none of the above? If I absolutely had to pick, I might choose the PB&J one since it could have a sweetness that one associates with soda. The others seem like they would be plain disgusting.

ButtermilkJesus - February 4, 2021, 8:59 am

I would definitely try buffalo sauce, what is it just vinegar soda?

1337GAMER - February 4, 2021, 9:00 am

I'd go with the PB&J and/or coffee soda to start.....but would be interested in trying all of them. It would likely be a one-time thing....LOL!

Coffee soda, didn't even have to look twice. But they all probably horrible!

It would be so cool, if you could drink liquid bacon and actually enjoy it, but I am unsure what the results are lol

Bluntmeh - February 14, 2021, 1:02 pm

I really do love coffee so I would probably gravitate towards that flavor, but regret it because I couldn't imagine a coffee flavored soda being good. But, that bacon soda sounds like it would be good with a pizza and a joint to wash it down. I've actually have also seen these sort of sodas in a local massive drink store called (bevmø) I'm not sure if you have that in your state or country but it's

quite awesome they got weird sodas, alcohols, beers, etc.

?nxy - February 14, 2021, 9:29 pm
