Anyone can get any coin "way cheaper" than any other crypto exchange thread but you chose to come and comment on mine?

Mr Monero - March 10, 2021, 6:08 am

Now also buying BTC & Monero.

Zexi - March 10, 2021, 7:47 am

Just bought 170\$ worth from OP. Very nice guy.

Thanks for the smooth exchange.

I should be adding Venmo soon, I do have an account on there right now that I managed to set up which was a pain as I'm in the U.K., I haven't had chance to test if I can send or receive payments without it wanting me to do extra verification etc.
