Thread: [API FUNCTIONS IN C](#)

Test 68+1 - February 4, 2021, 12:05 am

hello everyone, I just wanted to ask about a book or a tutorial somewhere on the internet (although I prefer a book) ;about api functions in c, I know that they may not be such thing --book about api functions in c-- but at least I need something to fully understand api functions, and how to use them
