Hello everyone,

I'll try to keep this short and detailed as possible.

Coinsmart is giving an airdrop where you can earn \$200 by referring 10 people.

I've done some research and it looks like Coinsmart is a legit registered Canadian crypto exchange website which is now trying to get more members.

It costs you really nothing, just referring 10 people and you will get \$200.

I will appreciate if you use my link: <https://early-coinsmart.kickoffpages.com?kid=1FBKEF>

Promotion is still on, you still have time to earn \$200!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
