Donald Trump Jr. - February 6, 2021, 8:24 pm

Requirements:

- Common sense in computers
- 16+
- Bank account to accept payouts and debit or credit card to purchase the items
- Works in all 1st world countries

Profit a day with my method \$50-\$1000. Every \$100 you sell, you will make around \$50-\$70. I average around \$200 in sales a day, thats \$100 a profit a day. Sometimes I get \$500-\$1000 a day.

I put minimal effort, if you wanted to put more effort you will average much more.

Note: I have recently sold another dropship method on Hf, this is not that - this is something different im not selling that one anymore. Ive been tweaking this new one and working on it and have finally started generating insane income with this new method.

I already have a brand I am building that I want to expand traffic sources. If I don't take your site and leave an HONEST review could you do less?

No I cant man, but thanks for the offer!

J0k3r - February 7, 2021, 1:57 am

what is the price for this method?

shopifyguru - February 7, 2021, 6:51 am

If you're open to use an MM until I make some earnings and see that the method is legit I'll take it right now.

Mark Ronson - February 7, 2021, 6:59 am

I understand about not caring about thread design but I'd recommend making the price of the method clear at least

I guess it's \$350, it's in the thread title.

No thank you, but thank you for the offer.

One of the main reasons im selling this is that I need more capital to invest in some crypto currencies.

If what you told it's true, that the setup is fast and the earnings are instant after that, you'll have the money still today?

I can also go with 50% now and 50% using MM. Or 100% now without MM but with refund option in the contract if I don't get the money back with the method.

Why do I even have to deal with doing that anyway?

Id rather not deal with getting into a dispute because you claimed it didn't work just to get your money back - to use the method anyways.

I know it works because im an idiot and I make money with it everyday. So if you don't want to buy it then dont.

Rexxleo558 - February 7, 2021, 8:48 am

Do you need to have a PayPal account to do this? What payment processor do you need to have step up? Do you have to use stripe? Or PayPal?

No PayPal account needed, all you need is a bank account to accept payments as well as a credit/debit card.

It will be explained once purchased.

Rexxleo558 - February 7, 2021, 10:00 am

Does it involve Facebook ads or google adwords?

Josh Newman - February 7, 2021, 10:24 am

So any saturation info on this? Will this demand die out anytime soon?

If you make money everyday from this method why would you need more capital to put into crypto?

Lavish Living - February 7, 2021, 10:53 am

I had extra btc in my wallet so instead of being retarded and gambling it away like I notoriously do when I am sitting on \$XXXX btc, and because for whatever reason NO ONE wants to exchange some cash 1:1 for btc... I decided to drop \$350 on this.

Was it worth it? Ehh... debatable. Am I upset or feel any regret? Nope. I am satisfied with what was provided. He gives you everything you need to start profiting the same day. I plan to launch my site today or tomorrow.

To be completely honest, I was able to guess his traffic source before purchasing (by some quick research) but he was pretty transparent with all my questions. So if you have any questions at all, just dm him. After some back and forth and him answering all my questions, I still decided to pay \$350 lol... the price tag does seem a tad bit high, ngl. But bleh... I want some passive income and hopefully this will start providing that. ?

Doing dropshipping for 6 years I am a bit doubtful about this working with free traffic. E.g. you can have free traffic from tiktok or snapchat, but it does not convert at all. Next, no pp/stripe needed, only bank account and works worldwide?? In tier 1 countries almost everyone pays with paypal, or if not then stripe, but bank transfer is very uncommon for a dropshipping store. And you say bank account to "accept payouts". This looks as if you are selling on Amazon and Etsy rather than on shopify or woocommerce.

Also where do you dropship from? China? USA? Dropshipping in theory works worldwide, in practice it depends on where is your supplier and where do you want to sell. With US supplier it makes not much sense to sell to UK. With China supplier you can sell to US, but it takes way too long and opens the doors for disputes.

Donald Trump Jr. - February 7, 2021, 2:34 pm

Spent time on my traffic method for 30 minutes, then went to bed this is what I woke up to:

This is done all with free traffic.

Like I said I will tell you what you need when your ready to use the method.
Just have a bank account ready so you can set it up.
Not amazon or Etsy.

Dropship from different places, and people buy the items know how long their going to ship.

To be honest id rather you not buy it.

Does this deal with Tik Tok?

Rexxleo558 - February 7, 2021, 3:26 pm

Is this something that will make money as soon as it's implemented?

Yes as soon as you start the traffic method

toppips - February 8, 2021, 5:42 am

I see you use Vix store, how long is payout settlement?

Rexxleo558 - February 8, 2021, 11:16 am

Contract started. Ready for purchase :)

Donald Trump Jr. - February 8, 2021, 12:01 pm

Decided to switch the price for the last copy, this method is way to good.
Did \$1370 yesterday

Lavish Living - February 10, 2021, 10:43 am

Not the best, not the worst. I haven't put much time at all into doing the traffic since I work fulltime and am lazy. There is a bit of luck involved tho. Happy to see some sales ;)

How much of that is profit?

Lavish Living - February 15, 2021, 7:06 pm

Quick update... think I started my store exactly a week ago. I didn't advertise at all for like 3/7 days.

Yesterday and today were easily the best days in terms of getting sales... I've said before - the traffic method does depend on luck but if you put in a lil effort, like very little... you will get lucky sometimes. Enough times to see numbers like this -

OP is pulling crazy numbers... I'm going to try and keep going and get to a \$1k sales day. That'll be cool. But yeah, I am 100% happy with my purchase. This is sick af and such a good deal. Think OP only wants to sell one more copy... don't miss out honestly. I was skeptical at first but aye... I'm

already in profit after just 7 days of not really doing shit. Imao.

Stanley - February 16, 2021, 1:12 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
