Thread: [I am looking for a partner to start spreading Bitrat/Silent Miner](#)

neverbd - February 7, 2021, 8:16 am

Hey guys,

I am totally new here,

I just came back to Hacking this month and I found highly interesting what's going on with the Bitrat stuff..

so I'm interested in a partnership with someone willing to put in the efforts for spreading Bitrat/Xmr silent miner,

PM Me if you would like to work together!
