Redwall - February 9, 2021, 1:33 pm

Hello there, I'm currently selling Yelp Elite reviews for any Yelp service/business. My Reviews can either be positive or negative, I do both. My elite status reviews will bring more traffic and clientele for local stores and businesses. Review seen on very first and top of the yelp page, Owners get notified of elite reviews, Positive review brings more clients or a negative review can harm a business depending on you.

My Yelp elite status took over a year to obtain of hard work and quality reviews, in order to be accepted into the elite council.

I will write the review for you, in my own writing style. Im a a 2 year elite member and it will stick and cause more traffic.

PRICES:

\$70 for 1 review
Btc/zelle/cashapp

\$130 for 2 reviews

My elite account will boost your business to the top and my review will be the very first one seen on the business page/link or if you had a bad experience, here's your chance to get some revenge and have it seen personally by the owners (Elite reviews) get top priority.

Vouch for Redwall's elite yelp reviews, left a flawless one for one of my businesses last week, dont hesitate to deal with!

Vouch for this! My company has been getting more clientele from the area the reviewer is from. If you're a local business, it's worth it in the long run.

What if one wanted to pay for an elite nomination instead from your account (in the future). Would you sell that?

I can also nominate, I'm a 3 year elite member so my nomination is a strong one.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
