I got \$40 Amazon gift card, looking for %75 BTC/LTC. PM me if you want it.

Cyam - March 31, 2021, 4:26 am
Most unprofessional and childish guy I've spoken with. His thread clearly says 75% rate and that's the only reason why I contacted him. He then says it's 70% for some reason.

After I say I won't do 70% he attacks me, saying he don't need my AGC-s cause he "ain't no broke kid".

Safe to say I will never deal with this guy ever.

Safe to say I will never deal with this guy ever. You have 3 negative B-ratings, I have 0.
You have 5 open disputes (14 in total), I have 0.
Talk about unprofessionalism now :)

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
