Thread: [B2B LEAD LISTS | ANY NICHE | VERY FRESH | EMAIL-PHONE | ANY TITLE ANY LOCATION](#)

MF D??M - February 10, 2021, 7:18 pm

Fresh lead lists available, I have freshly produced lists from certain niches but if you require something I don't have they will be gathered fresh. It can take about 1 week to gather 1000 fresh as can be leads, targeted for Geolocation, Industry, Title, Address, phone, email, LinkedIn URL and much more. Just message me to sort out a deal on your needs.

These are not leads for spamming emails and hoping you hit something, these are HQ B2B leads for creating further business and prospecting new clients, I do this as my day job and have been in the game many years, come to have a chat about your needs and let's make business.

CEO's
Human Resources
SaaS
Lawyers
Traders
Investors
Electronic (Bulk), and more

I will try and obtain any list you need.

Let me know through messages what you want, the freshest leads made to order.
