Thread: [Bring Back a Lost Lover Spell](#)

SIM-1169085 - February 13, 2021, 6:27 pm

This is a spell to bring back a lost love.

I'll be selling this spell for 1 dollar.

It's a very simple spell that anybody can use and you can use this spell as many times as you'd like.

I guarantee this works

Only if there was a man or woman that you're no longer with that you would like to return into your life.

Do you only sell a spell for love? Or do you have a spell that can get me tons of money?

Deadmau5 - February 14, 2021, 1:44 am

Curious to see what this is. I can take a vouch copy and leave a review in return.

I only sell what you see on this thread. A money spell is impossible.

Vouch Copies have been given out to the users above.

Magic, spirits, entities, are all very real people.

There sure are a lot of skeptics but I guarantee your money back if this spell doesn't work.

There will always be trolls on this thread laughing about spells and being sarcastic.

This is a very real and is not a joke.

I hope you understand I was genuinely curious if there was sort of a money spell. However, I do know magic, spirits and entities are absolutely real. If anything id highly advise people not to mess with bad things but I do wish you the best with sales. Sorry, if you thought I was trolling I was actually curious to the possibility with money. Hope you understand, sir.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

if it was someone you loved this is a spell to bring them back. You don't need to have been in a relationship with them.

It is but you would have to cast the spell multiple times.

You'll understand how it's possible if you buy the spell.

(Feb 16, 2021 12:38 PM)Lucid Wrote: [\[CITE\]](#) What is the process of you doing this spell? Are you using certain herbs and setting the intention?

The spell requires a red candle, stone and relaxed mind.

No herbs are used in this spell.

LMAO, did you really deleted my reply from this thread?? hahahaha dude you are mental

Koyote - February 24, 2021, 10:14 am

Bro depending on where you live there's genuinely a real big market for this, where I am there's a guy who charges £50 just to bless someone's home or business, and then he leaves. I personally don't believe it, but respect that others do, but I have to admit he has a good track record and no complaints so in my opinion he's either lucky, or tuned into something we don't know or appreciate fully yet. Hope it goes well for you man

So anyone had success with the spell? I tried it one week ago and not much happened. I did it as described, only difference is that I did it 2 hours later than suggested.

LokeYourXord - *March 8, 2021, 3:33 pm*

I mean I would even like to try it just for the gist of it, but the seller ain't even online at all, and hasn't been for nearly two weeks :/
