Thread: [BLADEBINDER | BEST FILE BINDER / MERGER | BIND UNLIMITED FILES | HIDE ANY FILE](#)

**zxPhantomBlade** - February 21, 2021, 7:10 am

File disguised as Photoshop!

NOTE: This is NOT a crypter. Its purpose is to combine files and make it a single executable or disguise a file as another one!

Bought this product and i must say, this is great piece of software...Op updated the product often, so it stay fud. Run and scantime

A+++ seller

thnxz
