VOUCHES

(Feb 16, 2021 03:58 AM)killmenow Wrote: [\[CITE\]](#) Can confirm OP's services work as stated.

Was very straight forward and easy to see how they work and how to order a service.

The first service I tried to test never ended up going through because it was so busy and I got the funds back for that.

Second test went through within minutes and had IG followers flying in out the wazoo. Great for the

price.

Definitely a legitimate service![\[contract=tid\]Start Contract\[/contract\]](#)
