Thread: [Selling 30 4 Years Old Reddit Accounts. Karma Points From 1 To 5600 \(Starts From \\$10\)](#)

vidpromoter - February 22, 2021, 9:16 am

Hi,

I am selling 30 4 years plus old Reddit accounts. All accounts are created manually 4 years plus ago and some accounts has NSFW activities and some are full blank. You can grow this accounts karma points and use them to post on other high traffic subreddits. As Reddit prefers aged accounts in comparison to new accounts. Below I have posted all accounts pictures.

Account price starts from \$10 per account only if karma point is below 100. Other accounts prices are depends on its karma points. If you want to buy all accounts in a bundle then i can offer it for \$800 for all 30 accounts.

So, what are you waiting for start contract below and lets have a great deal :)

You can contact me on my email xtubeagecom@gmail.com if you have any queries.

Thank you

Bro, I guess you didn't have any idea about Reddit. Just using username didn't a good way to show that you are a real redditor. Secondly, Just post on any huge subreddit using a new account and an aged account and you will see it for yourself regarding the delay in every posting limit timing.
